If so, the M-PBEA Leadership Development Institute (LDI) is for you!! M-PBEA is seeking participants for LDI to be held June 14–15, 2011 in Wichita, KS just prior to the annual M-PBEA conference. Throughout the 2011 LDI sessions, the spotlight will be on:

- Learning More About M-PBEA and NBEA and the Structure of these Professional Associations
- Exploring and Developing Your Own Leadership Skills
- Fostering Professionalism
- Interacting with M-PBEA and NBEA Leaders
- Examining Procedures for Conducting Meetings and Conferences

Each Mountain-Plains state or province is able to send three delegates to LDI. States/provinces are encouraged to select individuals who serve in officer positions in their state associations, a college student majoring in business education, and/or a relatively new teacher. In addition, these individuals must be members of NBEA/M-PBEA. However, each state can use its own selection process in choosing the three LDI delegates.

Contact your state president or state membership director for details about the selection process in your state or contact Sandy Braathen, LDI Director, at sbraathen@business.und.edu for a nomination form. Nominate a colleague or yourself to attend the 2011 M-PBEA Leadership Development Institute. The deadline for states to forward applicant names is January 31, 2011.

M-PBEA needs dynamic business educators to accept leadership roles in our state, regional, and national business education associations. Be one of those leaders! Be one of the LDI delegates from your state. Help put the Spotlight on Business Education!
